

Axonics to Present at the 41st Annual J.P. Morgan Healthcare Conference

December 21, 2022

IRVINE, Calif.--(BUSINESS WIRE)--Dec. 21, 2022-- Axonics, Inc. (Nasdaq: AXNX), a global medical technology company that is developing and commercializing novel products for the treatment of bladder and bowel dysfunction, will present at the 41st Annual J.P. Morgan Healthcare Conference in San Francisco, California.

Axonics is scheduled to present at 4:30 p.m. Pacific Time on Wednesday, January 11. A live webcast and archived replay of the presentation will be accessible on the Axonics investor relations [website](#).

In advance of the presentation and scheduled investor meetings, Axonics will issue a press release before the market opens on January 11 that provides preliminary unaudited 2022 financial results and initial 2023 financial guidance.

About Axonics®

Axonics is a global medical technology company that is developing and commercializing novel products for adults with bladder and bowel dysfunction. Axonics recently ranked No. 1 on the 2022 [Financial Times](#) ranking of the 500 fastest growing companies in the Americas and No. 4 on the 2022 [Deloitte](#) Technology Fast 500™ following its No. 1 ranking in 2021.

Axonics sacral neuromodulation (SNM) systems provide patients suffering from overactive bladder and/or fecal incontinence with long-lived, easy to use, safe, clinically effective therapy. In addition, the company's best-in-class urethral bulking hydrogel, Bulkamid, provides safe and durable symptom relief to women with stress urinary incontinence (SUI). Overactive bladder affects an estimated 87 million adults in the U.S. and Europe, with an additional 40 million adults estimated to suffer from fecal incontinence. SUI affects an estimated 29 million women in the U.S. alone. Axonics' clinically proven products are offered at hundreds of medical centers across the U.S. and abroad. Reimbursement coverage is well established in the U.S. and is a covered service in most European countries. For more information, visit www.axonics.com.
